Jatin,

Crossett 017 has not submitted paperwork we requested for us to do their CCR for 2013.

North Crossett 022 ran it in their local newspaper and it's on our website, but they didn't notify their customers that it was on our website.

Northeastern Crossett 023 mailed it out and it's on our website, but they didn't notify their customers that it was on our website.

West Ashley 878 both mailed it and did electronic distribution.
